Drelond
"Fourth Pestilence"

1383

Charles VI (6) of France (1380-1422)

Internal discontent troubled the early years of the reign of Charles VI (1380-1422). In 1382 Paris rose in revolt, with some temporary success, but in 1383 Charles (6) reduced the insurgents to submission and extended a terrible vengeance on the city by fines and executions and suppression of its privileges.
